

Training for agency staff who want to know more about SSA disability programs, or who refer people to SWCI for assistance

Social Security Disability Overview for Providers

This training session includes:

- ◆ Comparing work with DVR assistance vs. applying for SSA disability benefits
- ◆ Understanding the SSI vs. SSDI disability benefits programs
- ◆ Discovering Social Security's special programs which might apply to your consumers
- ◆ Learning the steps in SSA's process to evaluate claims
- ◆ Preparing your consumers to create an effective claim
- ◆ Learning how the Social Security Navigator program can help

*This is an online class via Google Meet, offered on Thursday July 15, 1:00 - 3:00 pm
Additional dates TBD ♦ Cost \$20 per participant*
